MHO5

Walk For Africa (W4A) is a member-driven non-profit collective of travel trade, media, conservation, and environmental experts in 40 African coastal countries and ocean island states.

WHAT?

Two events; virtual and physical. The physical event is a multi-day public-participation walkathon along the Western Cape coastline from Plettenberg Bay to Cape Town - a distance of 800km / 1 million steps). The virtual event follows the same route/distance using the participants excercise devices.

WHEN5

World Tourism Month - September 2021 (South Africa)
World Tourism Day - 27th September 2021 (International)
Virtual Event - 01 July to 27 September 2021
After this years' inaugural launch, the events will become annual fixtures in South Africas' tourism calendar.

MHA5

- 1) To boost post-COVID-19 tourism recovery in Africa by fostering public wellness through outdoor walkathon/hiking participation.
- 2) To unite African nations through responsible and inclusive tourism practices.
- 3) To protect the environment and wildlife, enhance African culture, and benefit local communities.
- 4) To raise funds for animal welfare (Cape of Good Hope SPCA & Garden Route SPCA).

VIRTUAL EVENT

WHO? The online virtual event is intended for international / regional / national entrants who can't attend the physical event but still want to get involved.

WHAT? A virtual event that uses the participants fitness device (watch, pedometer or heart rate monitor) to record their walk, run, ride, swim, hike, or gym workout. They do this by registering a free Strava.com account to enable syncing and uploading of their device data records. Their calories burned during excercise is then converted in to kilometres/miles.

WHEN? From 01 July to 27 September 2021.

WHY? To raise awareness and raise funds for our event beneficiaries; the Garden Route SPCA and the Cape of Good Hope SPCA.

HOW? Tickets for the Virtual Walk/Run/Ride 4 Animal Rescue SPCA Fundraiser can be purchased at R350 (\$25) per entry from <u>Quicket.co.za</u>. Regular SPCA donors can also enter by logging into the <u>GivenGain</u> crowdfunding platform. Participants then join the Strava <u>Walk For Africa Club</u> and then join the <u>Club Event</u>.

The entire 800km Plettenberg Bay to Cape Town route map has been plotted in the Club Event dashboard and the participants activity is ranked to determine the leaders. When the virtual event closes on 27 September 2021, the top 10 leaderboard winners will be rewarded with accommodation or restaurant vouchers and invited to attend the physical event closing function at the V&A Waterfront in Cape Town.

PHYSICAL EVENT

REGISTER online at <u>walk4africa.org</u> between 01 August to 26 September 2021 or purchase an eco-tour package from participating W4A member tour operators/travel agents.

Note: Pre-event (expression of interest) registrations are now open at <u>walk4africa.org/western-cape-pre-event-entry/</u>

Choose individual or team entry option. Enter contact details & complete medical form/questionaire for each particiant. Choose single-day (day walker) or multi-day option for each particiant. View/select dates (route entry limits/availability & profiles/maps/3600views/drone-fly-overs). Choose arrival/departure parking/transport options. View/select daily overnight B&B accommodation options (location/type/star-rating/facilities/roomrates/availability). View/select camping/outdoor gear options. Select lunch/dinner dietary preference. Review selected options/price. Add to shopping cart.

FUND individual/team walkathon for beneficiary cause. Choose fundraising option: once-off donation (add to shopping cart) or crowdfunding (raise pledges per km walked). Review auto-generated crowdfunding page. View/select W4A merchandise options/sizes. Review shopping cart checkout, T&Cs/disclaimer & digitally agree/decline. Approve & process payment. Download W4A walkathon app for Android/Apple. Check email for booking confirmation & reference number.

Promote crowdfunding link to family/friends/colleagues/followers via social media channels. Challenge competitors/suppliers to equal or better donations.

Optional: Purchase Medical Emergency Evacuation insurance on a daily-cover basis.

WALK the talk. Arrive for onsite registration between 6-8am. Hand-in car keys if parking booked. Sign indemnity form. Collect goody bag & pre-ordered merchandise/camping/outdoor items. Enjoy a coffee/muffin while browsing sponsor displays. Attend pre-walk safety briefing. Take the first step along the days route at 09h00 for walkers, 10h00 for runners, and 11h00 for cyclists (fat bikes - suitable for beach riding).

ABOUT

OUR BENEFICIARIES

Established in 1872, the <u>Cape of Good Hope SPCA</u> (Society for the Prevention of Cruelty to Animals) is the founding society of the SPCA movement in South Africa and is the oldest animal welfare organisation in the country.

The Garden Route SPCA was formed when the George and Mossel Bay branches joined forces to combat animal cruelty in the region.

Over the past 147 years they have diligently carried out their mission to prevent cruelty to animals through education, law enforcement, and veterinary care services. They also have an Animal Care Centre, Horse Care and Farmyard Unit, and Wildlife Facility.

The Cape's wildlife are continually under threat. Certain animal species are in conflict with humans, some are exploited for financial gain, threatened by natural disasters and urban sprawl and others, hunted for sport and recreation.

The Cape of Good Hope SPCA Wildlife Department serves a critical role in mitigating this threat by rescuing displaced, injured and sick wildlife and investigating reports of cruelty to wild animals. They are committed to their credo that wild animals belong in the wild and their team works to also bring and end to the illegal keeping, import and sale of exotic animals as pets.

During the past two years (2019-2020), the Cape of Good Hope SPCA has faciliated 968 dog & cat adoptions, 6759 animal cruelty investigations, and sterilised 6974 animals. This year has been particularly hard for the SPCA to continue their good work. They need funding. Walk For Africa aims to help with that by raising R1 million through our "Walk/Run/Ride 4 Animal Rescue" virtual and physical events.
